

# IZDELAVA TABELE: DEJAVNOSTI IN NJIHOVO TRAJANJE

1. naloga: Odprite novo tabelo, kjer boste ustvarili tabelo za Dejavnosti in njihovo trajanj v slovenskem jeziku.

View -> Table: Entry -> More tables -> New

2. naloga: Poglejte spodnje nastavitve. Na podoben način nastavite tudi vašo tabelo.

The screenshot displays the Microsoft Project interface. The 'More Tables' dialog box is open, showing a list of tables. The 'Table Definition in 'org\_pot\_Beograd\_ng'' dialog box is also open, showing the configuration for a new table named 'dejavnosti in njihovo trajanje'. The 'Table Definition' dialog has the following settings:

ID	Field Name	Align Data	Width	Title	Align Title	Header Wrapping
1	ID	Center	5		Center	Yes
2	Name	Left	64	Ime faze, dejavnosti	Center	Yes
3	WBS	Right	6	WBS koda	Center	Yes
4	Duration	Right	10	Predvideno trajanje	Center	Yes
5	Start	Right	12	Začetek dejavnosti	Center	Yes
6	Finish	Right	14	Konec dejavnosti	Center	Yes
7	Predecessors	Left	57	Predhodne dejavnosti	Center	Yes

The 'Table Definition' dialog also includes a 'Date format' dropdown set to 'Default' and a 'Row height' of 1. The 'Lock first column' checkbox is checked, and the 'Auto-adjust header row heights' checkbox is unchecked.
