

# IZDELAVA TABELE: LIST RESURSOV

1. naloga: Odprite novo tabelo, kjer boste ustvarili tabelo List resursov v slovenskem jeziku.

View -> Resource Sheet

2. naloga: Poglejte spodnje nastavitve. Na podoben način nastavite tudi vašo tabelo.

The screenshot shows the Microsoft Project interface with the Resource Sheet view open. A dialog box titled "Table Definition in 'org\_pot\_Beograd\_ng'" is displayed over the resource sheet. The dialog box contains the following information:

Name:   Show in menu

Table
