The screenshot shows the Microsoft Project interface with a Gantt chart on the left and a resource usage grid on the right. A 'Table Definition' dialog box is open, titled 'Table Definition in 'org\_pot\_Beograd\_ng''. The dialog has a 'Name' field containing 'Skupni stroški' and a checked 'Show in menu' option. Below this is a 'Table' section with a grid for defining columns:

ID	Field Name	Align Data	Width	Title	Align Title	Header Wrapping
1	ID	Center	5		Center	Yes
2	Name	Left	69	Ime faze, dejavnosti	Center	Yes
3	Cost	Right	30	Skupni stroški	Center	Yes

At the bottom of the dialog, there are settings for 'Date format: Default' and 'Row height: 1'. There are also checkboxes for 'Lock first column' (checked) and 'Auto-adjust header row heights' (checked). The 'OK' and 'Cancel' buttons are at the bottom right.
